WASHINGTON, D. C., September 12.—Johnson, pitcher of the Athletics, and Plank, pitcher of the Irish-American A. C., a three-times Olympian winner, was the only pitcher to-day to establish a new record in this year's A. A. U. championship games of the Metropolitan Association, held at Travers Island to-day. Flanagan threw the 56-pound weight 33 feet 1-2 inches, beating his own world's record of 33 feet 7-8 inches, made at Jamestown, Va., last year.

Flanagan won the hammer throw and the 56-pound weight events. Melvin W. Sheppard won the one-half mile run handily, and Harry L. Hillman took first honors in the 44 yards run, beating Sheppard, who ran second.

NEW RECORD FOR 120 YARDS HIGH HURDLE

CHICAGO, ILL., September 12.—A world's record for the 120-yard hurdles was established to-day at the annual meet of the Central Amateur Association, on Marshall Field. The meeting was an easy victory for the Chicago Athletic Association, which scored 89 points, compared with 19 points for its nearest rival, the University of Chicago. The First Regiment, Illinois National Guard, was third, with 15 points. The new high hurdle record of 120 yards was established by Arthur B. Shaw, of Joliet, Ill., a graduate of Dartmouth, who lowered the time of J. C. Garrett's 15 1-2 seconds to 15 seconds, flat.

J. A. Rector, of the University of Virginia, who was expected to try for a world's record at 120 meters, did not attend the meet.

KING JAMES CAPTURES RICH CHAMPION STAKES

Wins by Half Length From Falcada, Under the Whip, in Red-Hot Finish—Mediant, Making Pace From Start, Is Never Headed in Great Eastern Handicap. Ironsides Lands Westbury Steeplechase.

NEW YORK, September 12.—King James, a three-year-old son of Plauditt, unsightly, running in the colors of his new owner, Scullin, and trained by his breeder, John E. Madden, won the \$25,000 Annual Champion Stakes, two miles and a quarter, at Sheepshead Bay this afternoon after a sensational drive throughout the homestretch. It was King James' stoutness of heart that carried off the rich prize. There were only four starters, all three-year-olds, with King James in high favor to beat the Montpelier stable's Falcada, Forsyth's Dorante and John Sanford's Chief Brant, a maiden. When the barrier was released, Shilling took King James to the front to set the pace. Dorante went along with him, keeping less than a length behind, while E. Dugan kept Falcada within striking distance several lengths back, with Chief Brant lumbering along in place. This order was maintained for a mile and a half. Then real racing began. Shilling let out a link, and King James took the lead at the far turn. As they rounded into the home stretch King James along to the rail, while Dorante swung wide, and this afforded an opening for Falcada, through which Dugan shot him with a quick rush. As Falcada felt the whip he quickly passed Dorante, and in the next six lengths he had collared King James, shilling then went to the whip, but Falcada extended to the limit, forced to the front and had about a half a length over King James at the last furling pole.

A Hammer and Tongs Finish.
It looked then as if King James was beaten, but Falcada began to falter. Shilling, aware of this fact, redoubled his efforts, and King James responded with bulldog courage. It was a hammer and tongs finish, and King James, under red hot punishment, got up in the last few jumps to win the race by a half a length in the slow time of 4:01. Dorante was third, five lengths back.

H. E. Duryea's Mediant, filly, Mediant, was an easy winner of the \$7,500 Great Eastern Handicap, for two-year-olds, six furlongs, Futurity course. She left the barrier like a streak of lightning and was never caught.

August Belmont's Field Mouse came from the back and took the place from H. P. Whitney's Bobbin by half a length. The time was 1:11 1-5.

Westbury Steeplechase Unsatisfactory.
The running of the Westbury steeplechase handicap at about two miles and a half, was not altogether satisfactory. At the paddock jump P. J. Rainey's Sanctus and T. Hitchcock, Jr.'s Bayonet, both fell. That left three jumpers, and they raced together, until at a jump on the back stretch, Agent, who was going along nicely, ran out. After that J. W. Colt's Ironsides drew away from Bat and beat him easily by two lengths, in 5:12. Agent took third place, nearly a furlong back.

Summaries:
First race—the David Garrick Handicap, for all ages, \$500 added, six and a half furlongs, main course—Tom McGrath first, Nimbus second, Woodlane third. Time, 1:18 2-5.
Second race—the Westbury Steeplechase Handicap, for four-year-olds and upward, guaranteed cash value \$2,000, about two miles and a half—Ironsides first, Bat second, Agent third. Time, 5:12.

Third race—the Great Eastern Handicap, for two-year-olds, guaranteed cash value \$7,500, six furlongs, futurity course—Mediant first, Field Mouse second, Bobbin third. Time, 1:11 1-5.

Fourth race—the Annual Champion, for three-year-olds and upward, guaranteed cash value \$25,000, two miles and a quarter—King James 102 (Schilling) first, Dorante 102 (E. Dugan) second, Falcada 107 (J. Lee) third. Time, 4:01.

Fifth race—the Rubyon Handicap, for all ages, \$800 added, mile and a sixteenth, turf course—Toney Boner first, Dandelion second, Brother Jonathan third. Time, 1:46.

Sixth race—the Igniter, for three-year-olds and up, selling, \$500 added, one mile—Bedouin first, Gild second, Sir Cleges third. Time, 1:28 1-5.

SEARGENT, N. J., September 12.—With the firing of the last shot late to-day in the Governor of the State of New Jersey match for the Seargent championship, the big shooting tournament of 1908 was concluded.

The match was open to everybody, the competitors firing ten shots each at 200, 600, 900 and 1,600 yards. Captain Simon received the Seargent championship medal, presented by Governor Port, and \$25.

VIRGINIA TECHS TO PLAY CAROLINA

Strong Teams to Meet Here November 7th—Blacksburg Has Unusually Strong Schedule.

[Special to The Times-Dispatch.]
BLACKSBURG, VA., September 12.—Applicants for the football team of the Virginia Polytechnic Institute will report for the first practice of the fall season next Tuesday, September 15th. College opens on the 20th, and it is expected by that time members of last year's team will all have reported and regular work begun. Any prophecy as to what sort of team the Techs will have on the gridiron this fall would be idle speculation, but the men who will have active management of football during this season are a competent guarantee that the varsity will be equal to that of former years.

They have outlined an excellent plan for the development of football at this, the South's great technical school, and have sent out an urgent appeal that all men who expect to try for the team report for practice promptly on the 15th.

Clarence P. Miles, of Richmond, is the graduate manager of athletics this season. Miles has been identified with football and baseball here for eight years, was captain of both teams in 1903, and coach of the football eleven in 1905, perhaps the best team the orange and maroon ever had. He will have a general oversight of all athletic affairs during the year.

For the first in the history of the school, V. P. I. will have a director of athletics, who will coach the football and baseball teams, the basketball team, and have charge of the gymnasium. For this position, Mr. R. M. Brown, of Princeton, has been engaged, and he will arrive in Blacksburg next Monday. Brown was a famous end on the Princeton eleven for two years, and last year was among the few prominently mentioned for a place on the all-American team. The coming of Mr. Brown to the institute marks a long step forward in the development of athletics and athletic spirit among the students.

H. H. Hutchinson, of Staunton, is student manager of the team, and A. B. Johnson is captain. Johnson has played centre on the varsity for three years, and has made good in every game.

Instead of depending for financial support on voluntary contributions and proceeds from admissions to the games, as heretofore, the association has inaugurated a new system for the coming season. Hereafter the annual membership dues will be \$5 per man, and upon payment of this fee a membership card, entitling the holder to all privileges of the association and admission to all games on the home grounds, will be issued. Every member of the sophomore, junior and senior classes has pledged himself to become a member of the association under this plan, and it is hoped that the new men will do likewise.

Ten games are on the season's schedule, including games with the U. S. Naval Academy, M. I. and the University of North Carolina. For the first time V. P. I. will meet Princeton, a game being scheduled with the Tigers for October 17th on the latter's campus. The complete schedule for the season is:

October 3d—Hamden-Sidney, at Blacksburg.
October 10th—Clemson College, at Blacksburg.
October 17th—Princeton University, at Princeton.

October 21st—Roanoke College, at Blacksburg.
October 24th—Virginia Military Institute, at Roanoke.

October 28th—Washington and Lee University, at Lynchburg.
November 7th—University of North Carolina, at Blacksburg.

November 14th—George Washington University, at Blacksburg.
November 21st—United States Navy, at Annapolis.

November 25th—N. C. A. and M., at Norfolk (Thanksgiving game).

C. C. A. Wins Another.
The C. C. A. clinched her victory to their already long string by taking the Fulton Hustlers into camp by a score of 7 to 2. Peerman's pitching, coupled with his teammates' timely hitting, easily produced the final result. Sitterling's work at short and Rose's catch of a difficult fly in left field were the highlights of the game.

Imperials' Zimmer twirled a good game for the losers, and with better support would, no doubt, have held the score closer.
